

Lei Game

Materials needed:

- 3-4 Hawaiian leis
- 3-4 small Pure Romance gifts or coupons, wrapped nicely

Directions to play: The lei game should be introduced to your guests at the beginning of the party. You can start it after your opening speech and before you start your party demonstration.

Tell your guests that you have a great game that everyone can play! Put three or four Hawaiian Leis around your hostess's neck. Let the guests know that if at any point during the night they decide they want to host their own Pure Romance party, they can yell out, "I want to get lei'd!"

When they do this, the hostess will take a Hawaiian lei from around her neck and give it to the person that just yelled out. Everyone who decides they "want to get lei'd" also gets a small Pure Romance gift or coupon that can be used at their own party. You could even offer your hostess a small incentive for each guest who gets lei'd.

Purpose: This is a great way to keep track of everyone who is interested in hosting her own party. While you should be asking everyone who walks into your shopping room if they want to book a party, this game helps you know exactly who is interested because they have a Hawaiian lei around their neck.
