

# HOW TO BUY YOUR KIT (AND MAKE BANK, TOO!)

<p>Host a Catalog Party with me, and we'll take 40% of the sales to buy your kit! (Bonus: the sales will be enough to make you an active Consultant. Nice one!) If you shoot for \$450 in catalog orders, you'll have \$180 in profit—plenty for purchasing a kit when it's on sale!</p>	<p>Create a Discount For Life/Year card on Vistaprint. Your VIPs will buy a card from you at \$20 to help you start your business, qualifying them for a discount for life! You can offer a bigger discount once a year, or a free gift each year.</p>	<p>Create a raffle sheet of 36 squares. Each square is \$5. Once the page is filled, you'll have enough money to purchase a Standard Kit. Want to upgrade? Just fill out more sheets. Reward the winner with \$50 in free product when you buy your kit. (You can use a pre-picked basket with hostess specials to save money.)</p>	<p>I'll ask you to host a party, then you'll sit in the audience and take notes and shadow me in the ordering room. We'll use the profit from your party to sign you up, and then activate you with the sales. We'll play party booking games to set you up for success!</p>
<p>Complete a PRCEF in advance and post-date the application to your payday. (You must take a photo of your license and email or fax it to Corporate.)</p>	<p>Borrow money from a bill due three weeks from now. Host two parties and one Catalog Party in your first three weeks to ensure you make the money back.</p>	<p>Be a helper at one of my shows. Helpers are paid \$10 an hour. Six parties later, you'll be trained and have your kit paid off in advance!</p>	<p>I'll buy half of your kit. You'll pay \$90, then get \$240 in sales, creating \$96 in profit. If six people place a \$40 order (or buy two bottles of Coochy), your kit is paid!</p>
<p>Get 15 women to spend \$30 with you. Kit is paid!</p>	<p>Host a Coochy sale—23 bottles later, and your kit is paid.</p>	<p>Ask your family for donations. They'll love to help!</p>	<p>Get an entire Blackout Bingo Sheet filled in, and your kit is free!</p>
